- Breakout 1 (Gehres Room 214):**
Shared Services Highlight: Cybersecurity Tenable Pilot with OARnet
Denis Walsh, Chief Relationship Officer, OARnet
David Ginn, Deputy Chief Relationship Officer, OARnet
Using an IUC-PG cooperative contract, OARnet has been piloting the Tenable vulnerability management tool with several higher education institutions in Ohio. Learn about why cybersecurity tools like this are a vital operational tool and how you can be part of the next phase of the roll out by OARnet.
- Breakout 2 (Eastman Room 100):**
Shared Services Highlight: Why e-Procurement, Why Now?
Cathy Boyd, e-Procurement Executive Advisor, E&I Cooperative Services
This breakout session will highlight how COVID and technology have collided, radically shifting the procurement landscape and increasing the immediate need for business continuity. There have never been more options, the status quo no longer is

acceptable, and workers expect the same speed and efficiency in procurement as they get in their personal lives. We'll discuss some of the trends we are seeing in the higher ed space as we talk with institutions, large and small, across the country. Finally, we'll provide some insight to how you can get started, leveraging IUC-PG contracts, to ensure success as you move toward establishing or expanding your eProcurement system.

Breakout 3 (International Room 110):

Shared Services Highlight: Recruitment and Retention Strategies

Facilitated Discussion Member Case Studies

Attend this session with your best strategies for recruitment and retention in the post-COVID era. Several IUC members will present challenges and approaches to recruitment and retention that they are experiencing on their campuses. Attendees are encouraged to describe their experiences, as well.
